& Happy New Year, from EFP!

From our family to yours, we hope your Christmas was filled with love and cheer as you celebrated the wonderful birth of our Savior.

Our family celebrated together on Christmas Eve attending dinner with Richard's family and again on Christmas morning. Every girl and boy loved their stockings and gifts. We are so thankful for your contributions to this special day, as so many memories were made. Some of the girls learned to skate with rollerblades for the first time! Others belted out in song on the new karaoke machine. Days in which our whole family can come celebrate together are precious and it was made even more special by the sharing of gifts and experiences.

Additional News

December Birthdays:

Estefani turns 16

Chloe turns 7

At the Learning Center:

The LC hosted a lovely presentation and family dinner for our final school day of 2019! We celebrated each child and the community that is growing from this school. It was a beautiful evening of singing, dancing, piano, and delicious food.

'End of the Year' Fundraiser

It's our final fundraiser of 2019, as we hope to move into 2020 positively and

prepared to achieve our goals. To make this possible, we have set a goal of \$16,000. Please read the following letter from Allison and prayerfully reflect on how you would like to contribute to this goal.

Dear Family and Friends of Eternal Family Project,

We wish to celebrate with you the joys of the season! God has again shown His unfailing presence this past year and I pray that as we reflect together on 2019, we recall the great and marvelous things He has done for and through each of us.

This year God has carried us into victories. Through grace and provision, we have combined families, adjusted to a new home, and celebrated the births of two new family members, Oliver and Liam. My daughters are growing each year, learning to overcome obstacles and shining with the potential God has gifted them.

Our joy as we reflect on 2019, extends to you. My family, our EFP staff, and I deeply appreciate your committed friendship and partnership. My gratitude for the loving community God has surrounded us with constantly grows. I am grateful for the blessing you are to my family and ministry, for your generosity in prayers, friendship, care, and giving to our financial needs. We have many challenges and opportunities ahead, but are overjoyed to have you by our side as part of our extended eternal family.

For 2020, I pray for God's abundant provision over you and your loved ones. Moving forward may we continue in our work together to build thriving lives and better futures for those in our care, and to demonstrate the love on which we are founded to our communities in Honduras. I have carefully prayed over our needs and goals to carry out God's vision in 2020. I ask for your help in expanding our family of supporters, as we aim to cultivate new sponsor relationships and develop partnerships with at least three new churches. Additionally, we are seeking three volunteers to assist in Honduras and several more in the U.S. who can lead in sharing our mission. The welfare of my daughters is a constant priority, and to further help them thrive deeply, I aim to find funding for consistent professional counseling services. Education remains a priority, not only for my family, but the community as well. At the Learning Center our goal for 2020 is to enroll 25 new students for the new school year.

Our God continues to be faithful in providing a loving and generous community. By donating an End Of The Year gift, you are equipping us to move forward effectively into 2020.

May you and yours truly and joyfully celebrate the reason for the season!

With gratitude and love,

Allison Alexander
